1. Many treaties provide for an exemption for certain types of interest, e.g. interest paid to the state, local authorities, the central bank, export credit institutions or in relation to sales on credit. Those exemptions are non considered in this column.
2. Many treaties levy a 20% capital gains tax on the sale of equities if the company whose shares are being sold has assets that consist of more than 50% real estate. Sometimes, in addition to having assets in real estate, the recipient company needs to own at least 25% of the capital. Those companies are not considered in this column.
3. The rate 5% applies if the value of the holding is at least USD 40.000.
4. The rate 10% (the United States – 5%) applies if the recipient company owns at least 10% of the capital or voting power in the Russian company.
5. The rate 5% applies if the recipient company owns at least 25% of the capital in the Russian company and the value of the holding is at least USD 100.000.
6. The rate 5% applies if the value of the holding is at least EUR 100.000
7. The 5% rate applies if (1) the recipient company has invested at least EUR 100.000 in the Russian company and (2) the dividends are exempt in the home country. The 10% rate applies if only one of the conditions is met.

8. The rate 5% (Venezuela – 10%) applies if the recipient company owns at least 10% of the capital in the Russian company and the value of the holding is at least USD 100.000 (for Australia – at least AUD 700.000 and the dividends are exempt in the home country; for Germany – at least EUR 80.000).
9. The rate 10% (Finland – 5%) applies if the recipient company owns directly at least 30% of the capital in the Russian company and the value of the holding is at least EUR 75.000 (Finland – USD 100.000).
10. The rate applies to joint ventures only.
11. The rate 10% applies if the value of the holding is at least EUR 150.000.
12. The rate 5% applies if the recipient company owns directly at least 25% of the capital in the Russian company and the value of the holding is at least EUR 75.000 (Latvia – USD 75.000).
13. The rate 5% (South Africa– 10%) applies if the recipient company owns directly at least 30% of the capital in the Russian company and the value of the holding is at least USD 100.000.
14. The lower rate applies to long-term loans (minimum 7 years) granted by credit institutions resident in contracting state.
15. The rate 0% applies if the recipient company is a pension fund or other similar institution providing pension schemes, a state, local authorities, a central bank. The rate 5% applies if the recipient company owns at least 20% of the capital in the Russian company and the value of the holding exceeds CHF 200.000.
16. The lower rate applies to loans of any kind granted by a bank.
17. The rate applies if the recipient company sells the share after holding it for less than one year.
18. The rate 5% applies if the value of the holding is at least USD 50.000.
19. The lower rate applies if the interest being paid on the loan is in the form of deferred payment for goods and services
20. The rate 10% applies if the value of the holding is at least USD 10 million.
21. The rate 10% applies if the recipient company that, for an uninterrupted period of two years prior to the payment of dividend, owns directly at least 25% of the capital in the Russian company.
22. The lower rate applies if the recipient company owns directly at least 25% of the capital in the Russian company.
23. The rate 0% applies if the dividends are paid to the Government of Kuwait, to the state, local authorities, the central bank.
24. The rate 5% applies if the value of the holding is at least USD 500.000.
25. The lower rate applies to interest on loans granted to the contracting state or guaranteed by state and interest on deposit.
26. The rate applies if the recipient company sells the shares of the Russian company.
27. The lower rate applies if the recipient company owns directly at least 20% of the capital in the Russian company.
28. The rate 0% applies to interest on loans granted or guaranteed by a public financial institution aimed for contribution of export and development. The rate 5% applies if a recipient of the interest is a bank.
29. The lower rate applies to interest on loans for a period of not less than three years granted, guaranteed or insured, or a credit for such period granted, guaranteed or insured, by the financial institution mentioned in the DT Agreement.
30. The rate applies if the recipient company is a financial institution.
31. The rate 5% applies if the beneficial owner of the dividends is the Government of the Republic of Singapore, or if the recipient company owns at least 15% of the capital in the Russian company and has invested in it at least USD 100.000.
32. The rate applies if the recipient company sells the shares, other than shares traded on a Stock Exchange recognised by the Russian Federation, deriving at least three quarters of their value from real estate in Russia.
33. The rate applies if the recipient company sells the shares of the company whose assets consist basically of the real estate which is in the Russian Federation.
34. The rate 5% applies to interest on loans granted by a bank or financial institution if the recipient company is a bank or financial institution.
